**UPDATE**

To the staff, Familyhome providers, individuals we support and their families,

Summer is now officially underway and I am sure you will agree, we enter it with some apprehension. Bethesda remains under the emergency orders set out by the Government of Ontario. For all of us, this means we need to abide by necessary measures that protect each of us.

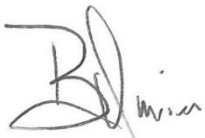

Bethesda will extend its program modifications and closures currently in place until July 12, 2020, at which time we will review the situation and advise each of you accordingly.

We have developed a 'Resumptive Action Plan' for when it is safe to implement and will keep you informed as we reach the appropriate stages.

For additional questions or concerns, please speak with your Manager / Bethesda contact or email us at [questions@bethesdaservices.com](mailto:questions@bethesdaservices.com).

Thank you for your patience and understanding during these challenging times. Stay safe!

Respectfully,

Brian Davies  
Chief Executive Officer  
Bethesda
