

Fundraising Initiative

The Bethesda Home Foundation is providing an opportunity to make a difference.

Many of Bethesda's friends have been asking us what can they do to show appreciation to those staff who are continuing to support individuals with developmental disabilities, in very difficult circumstances. In response, the Bethesda Board is announcing an exciting opportunity for our friends to give to those essential staff that are supporting people each and every day.

Your donations will:

- Assist in providing the necessary Personal Protective Equipment (PPE) staff require.
- Enhanced employee benefits to assist staff in these difficult times.
- Equipment that will assist staff/client communication with loved ones.

For those who are able, please make your donation online at <https://www.bethesdaservices.com/donations> or make cheques payable to:

Bethesda Home Foundation Inc. (COVID-19)
3280 Schmon Parkway
Thorold, ON L2V 4Y6

Thank you for making a difference!
